

CHRISTUS GARDENS
Gatlinburg, Tennessee 37738

— A Major Visitor Attraction of the Smokies —

In the beautiful Patio Garden is located a most unusual and mystifying feature in the form of an heroic face of Our Lord sculptured in a six-ton block of Carrara marble in such a manner that the entire face seems actually to turn in any direction taken by the spectator moving in front of it.

Open All Year on the River Road

Pub. by Buckhorn Press, Box 407, Gatlinburg, Tenn.
